NEW HEIGHTS OF INSPIRATION

In the heart of Seoul's iconic Gangnam District, Le Méridien Seoul is an ideal base for discovering the local area's distinctive blend of the ancient, the cultured and the vibrant - where temples and malls, galleries and parks, sports and music, all provide a sensorial experience in a vibrant setting. Nearby attractions include Bongeunsa Temple, COEX Exhibition Center and Mall and Jamsil Baseball Stadium.

EXTRAORDINARY SERVICES

Located on the hotel's first floor, M Contemporary is an unprecedented cultural destination and recreational space in the heart of Gangnam. This art centre comprises seven exhibition venues throughout the hotel, including an LED media façade, a 1157-square-metre exhibition space, a private gallery for professional collectors, and a cafeteria that serves finger foods. On display are conventional paintings and sculptures as well as works by leading new media artists, revealing a fresh paradigm of public art and culture.

Socialize at Le Meridien Hub, our concept that re-interprets the hotel lobby into a social gathering space meant for you to convene and converse. Take advantage of our multi-compatible meeting spaces 1650 square metres intended to offer versatility to your corporate and social events. Dine leisurely at any of our four restaurants and bars or escape into the world of fiction at the Library Lounge while we spark creativity and adventure in your little ones at our Le Meridien Family Kids Club. For those who want to soak up the sun, we promise that the extensive outdoor pool and landscaped garden is nothing short of inviting.

STIMULATING GUESTROOMS

Experience our 336 stylish rooms and suites, decorated in a soothing palette of blue, lavender and green tones infused with European design flair. With local Gangnam area views and the exquisitely plush, signature Le Meridien bed, our spaces are curated to awaken the senses. For the ultimate in chic comfort, Le Meridien Club Lounge on the 14th floor offers exclusive benefits in sophisticated surroundings.

Elements — Experience artistic contemporary Oriental cuisine by one of Korea's top chefs. Elements serves a diverse and modern Asian menu, encompassing Korean, Japanese, Chinese, Southeast Asian and halal dishes. The sushi counter offers a taste of authentic Japanese cuisine, while the barbecued Korean selection reveals a fresh and innovative global reinterpretation of Korean classics. Private dining rooms are available for exclusive gatherings.

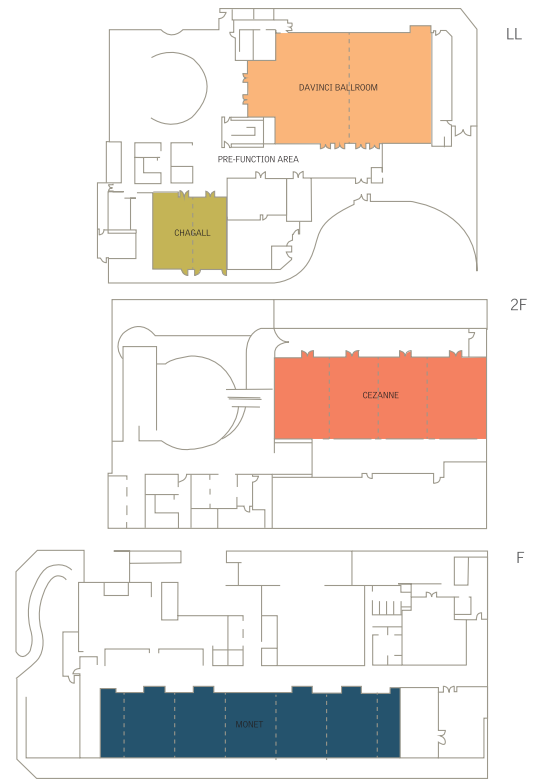

Mid Century Bistro & Café — serves American-style bistro cuisine amid the 14-metre media wall of M Contemporary Art Centre and various other art works. A selection of snacks, sandwiches and main dishes at affordable prices.

Latitude 37 — With outstanding décor, this is a special venue to engage in relaxed conversation with friends and like-minded travelers over chilled wines, imaginative concoctions or the perfect illy specialty coffee, crafted by our skilled baristas.

Lab XXIV — a contemporary gastronomy-themed French restaurant, was featured in Michelin Guide 2017.

ENGAGING MEETING SPACE

Expand your vision beyond the usual. Inspire ideas and excite your creativity for the most desirable meetings and events. High Speed Internet Access is available throughout our meeting venues totaling 1,650 square metres. The outdoor Maple Garden is a forest garden lined with maple trees, producing an extraordinary location for private parties and unique weddings. A wide range of state-of-the-art audiovisual equipment and flexible services can be supplied by the hotel's expert in-house team.
